**The reason we are not reading the Bible from beginning to end in this case, is because I want us to see ways in which the Old Testament points to the New Testament, and the New, back to the Old. Those connections are important for our Christian faith. Additionally, if you have questions from your reading, be free to ask them, either to me in person, or by emailing me: [pastor@ziongwinner.org](mailto:pastor@ziongwinner.org) If I do not know the answer, I will try and find an answer to your question.**
